

Dear our valued customers,

In this time of panic, we understand the concerns of our society and government. We have no choice but to conform to the guidelines handed down to us from the governing authority. As of Monday March 16th, there will be PICKUP/DELIVERY only to combat the spread of this virus.

PICKUPS can be picked up inside the store and will be placed on a selected table IN THE FRONT AREA to be picked up. There will be no employee contact. Also we will offer CURBSIDE pickup, we will bring it out to you if you feel more comfortable.

We are taking cash, Credit, Debit, Apple Pay and VENMO.

DELIVERY'S will be done as normal, our delivery staff will have gloves/sanitizing equipment on their person.

We encourage contact-less delivery's.

Meaning, it would be best paid online, or over the phone and food dropped off on your doorstep to be retrieved and driver confirmation over the phone that it has been done and left for you to retrieve.

Since this is a tough time for everyone, nonetheless the small businesses that are going to be hurt from this, we are reducing all online delivery fees back down to \$0.00

In an effort to keep food affordable, we are working alongside Grubhub, Slice and DoorDash to keep their commissions low so we can offer more.

So please, go online and order from your favorite restaurants, as they need it the most.

Give us a call 518-238-3448 or go online at [3-Brotherspizzeria.com](http://3-Brotherspizzeria.com)

We will be more than happy to accommodate you as you need, just call us!
